**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my provider because they have far better customer service than AT&T, which I had been using for many years. Sonic offeres fiber broadband at a very fair price. I was using AT&T DSL before I switched to Sonic. AT&Ts customer service was horrible. Please do not cave in to telecommunications monopolies that are trying to quash competition by increasing the cost of telephone services. Keep the industry competitive.
